

Release Notes 2.0.4

January 25th, 2003

The following items have been moved (migrated) to Production for use by Agencies beginning on January 25, 2003.

- A fix was applied to the PCA stop program to prevent it from deleting citizenship codes on employee records.
- A fix was applied to the Employee Express Outbound program. The program has been updated to send the employee's most current social security number to employee express.
- A fix was applied to the Mass Realignment process. The process is now updating the department changes in both the employee's record and position data.
